

AvilaCRI Home Remodeling Project Planner

A professional planning guide to help homeowners prepare for a successful remodeling project.

Whether you're remodeling a kitchen, updating a bathroom, adding living space, or transforming an attic or basement, this planner is designed to help you organize your ideas, goals, timeline, and budget before beginning your project.

Services Offered

- Kitchen Remodeling
- Bathroom Remodeling
- Home Additions
- Attic Renovations
- Basement Renovations
- Deck Construction

Consultation Fee: \$250 – \$500

(Consultation fee is credited toward your project if you move forward with construction.)

1. Project Vision

- What areas of your home are you remodeling?
- What inspired this project?
- What are your top priorities?
- What would make this project a success for you?

2. Style & Design Preferences

- Preferred style (modern, farmhouse, traditional, contemporary, etc.)
- Favorite colors, materials, or finishes
- Must-have features or upgrades
- Inspiration websites or social media accounts

3. Budget Planning

- Ideal investment range

- Maximum comfortable budget
- Areas where you want to splurge
- Areas where you want to save

4. Timeline Expectations

- Desired project start date
- Important deadlines or events
- Flexible vs non-flexible timing

5. Functional Needs

- How do you currently use the space?
- What frustrations do you want solved?
- What storage or layout improvements are needed?
- Will the space need to accommodate children, guests, pets, or aging-in-place needs?

6. Contractor Meeting Checklist

- Gather inspiration photos
- Create a list of priorities
- Measure approximate room dimensions
- List any structural or repair concerns
- Prepare questions for your consultation

Helpful Remodeling Tips

- Focus first on functionality, then aesthetics.
- Keep a small contingency budget for unexpected conditions.
- Collect inspiration photos to communicate your vision clearly.
- Choose timeless finishes for long-term value.
- Plan early for material selections to avoid delays.
